## **I would like to introduce you to the music and ministry of 2EDGE**

In October 2005 2EDGE released their debut CD entitled "The Promised Land" featuring nine original songs. The response was overwhelming with over 65 radio stations playing their music.

April 2007 2EDGE released their second CD "The Path" featuring 12 original praise and worship songs. Radio stations throughout the USA, Canada and online stations around the world began playing music from "The Path".
